## MANAGING DIRECTOR'S MESSAGE

# HELLO!

Welcome to our company Bquebe Tex.

Bquebe Tex functions within the speared of Bquebe group. Bquebe group's operations are diversified into three different business are as including Fashion, Trade, Buying and Accessories. Bquebe Tex started it's journey in 2019 as a local buying house agent in ready made garment (RMG) sector in Bangladesh.

We are a team of innovative, enterprising, sincere, vibrant and experienced people. We provide Ethical trading Product Security. Along side with up to the mark product in novation and a supply base having stabilized consistency. In a word, Bquebe Tex is your one-stop shop for all kinds of Fashion trading and sourcing solution.

## S. M. Nafiz Hasan Bandhan

CEO & Managing Director

Bquebe Tex

# WHO WE ARE

Bquebe Tex started its journey in 2019. At our beginning we targeted the local market. And with a combination of credibility and commitment, from a very modest starting we have achieved tremendous brand recognition and appreciation from our buyers.

Now We Have Started Our Business As Anagenic by Exporting Readymade Garment (RMG) In Europe And America. We are well groomed to comply with best quality of Products and the demanded quantity. We Provide Our Products And Services At Best Competitive Pricing For Substantial Existence.

Our Experienced Designing Team Is Dedicated To Provide State-of-the-art Designs And Patterns that can be matched up with world standards. We Are Capable Of Producing Men's, Women's, children's, kid's products for your comprehensive market.

Our Vision Is To Serve The Best Realistic Support For Both Your Bid Ding And Representatives Election programs. More over our Management always keeps a constant eye on every thing going on within the company so that we can assure best monitoring.

That help sour clients to stay tension free. As we all know the ready made garment (RMG) arena insane very expanding one and we are committed to match up with trending fashion and styles .

# WHAT WE DO

We want to spread happiness through Businesses. That's why we share quality. So we have to ask. We frequently ask questions until we clear our concept up on buyer's requirements.

We just do not attain the supplies against the demands. We try to visualize the full picture. We propose visionary and pragmatic support to our customers. So that you can rely on us with every step of production. Such As Sourcing, Product Development and Production Management.

# THE PROJECT PHILOSOPHY

**“WE ARE BLESSED TO  
BE THE BACKBONE OF  
THE PROCEEDING”**

**We seek people. Because we strongly believe that people around you the most important aspects of life. With capable people you can find the peace in work..**

**And People Come With diversity. In this ever changing Fashion Industry Diversity Is The key.  
If Diversity can be complied with passion the approach will be fruitful.**

## Quality and Promise.

Our focus of working is product oriented. We put maximum effort for Quality Control and Management. It is result of proper execution of well planned strategies. Along with a well ordered structure of experienced and always ready to go team of energetic people. Therefore, we can assure quality in all aspects.

## OUR Promise

We Make Inspections On Frequent and methodical basis along with the tested quality control process gives us the confidence to make and fulfill commitments to deliver orders on time with stable quality standards.

## Word of HONOR

We emphasis on the excellence from the beginning.

- Fabric
- Trims
- Printing
- Dyeing

## Control Over Quality

We Have Mentioned That This Industry has a lot of distinguished diversity. To overcome this challenge we have conjoined an experienced team of quality controllers for every single category. And We Have Confident because they have gathered this year's of experience by working as craftsmen knowing ins and outs of the products.

# WE Create Fashion Trends

Our Approach to the Industry Our obligation is to provide support to our designers. We Provide convenient creative space for our designers and pattern creators. Keeping the constraints in mind our most important consideration is saving time and subtracting the amount of wastage.

Virtual And web sampling opens paths for on-the-spot assessment with swift and expeditious policy making between us and the clients. With the intension that both sides can participate and collaborate in product development procedure.

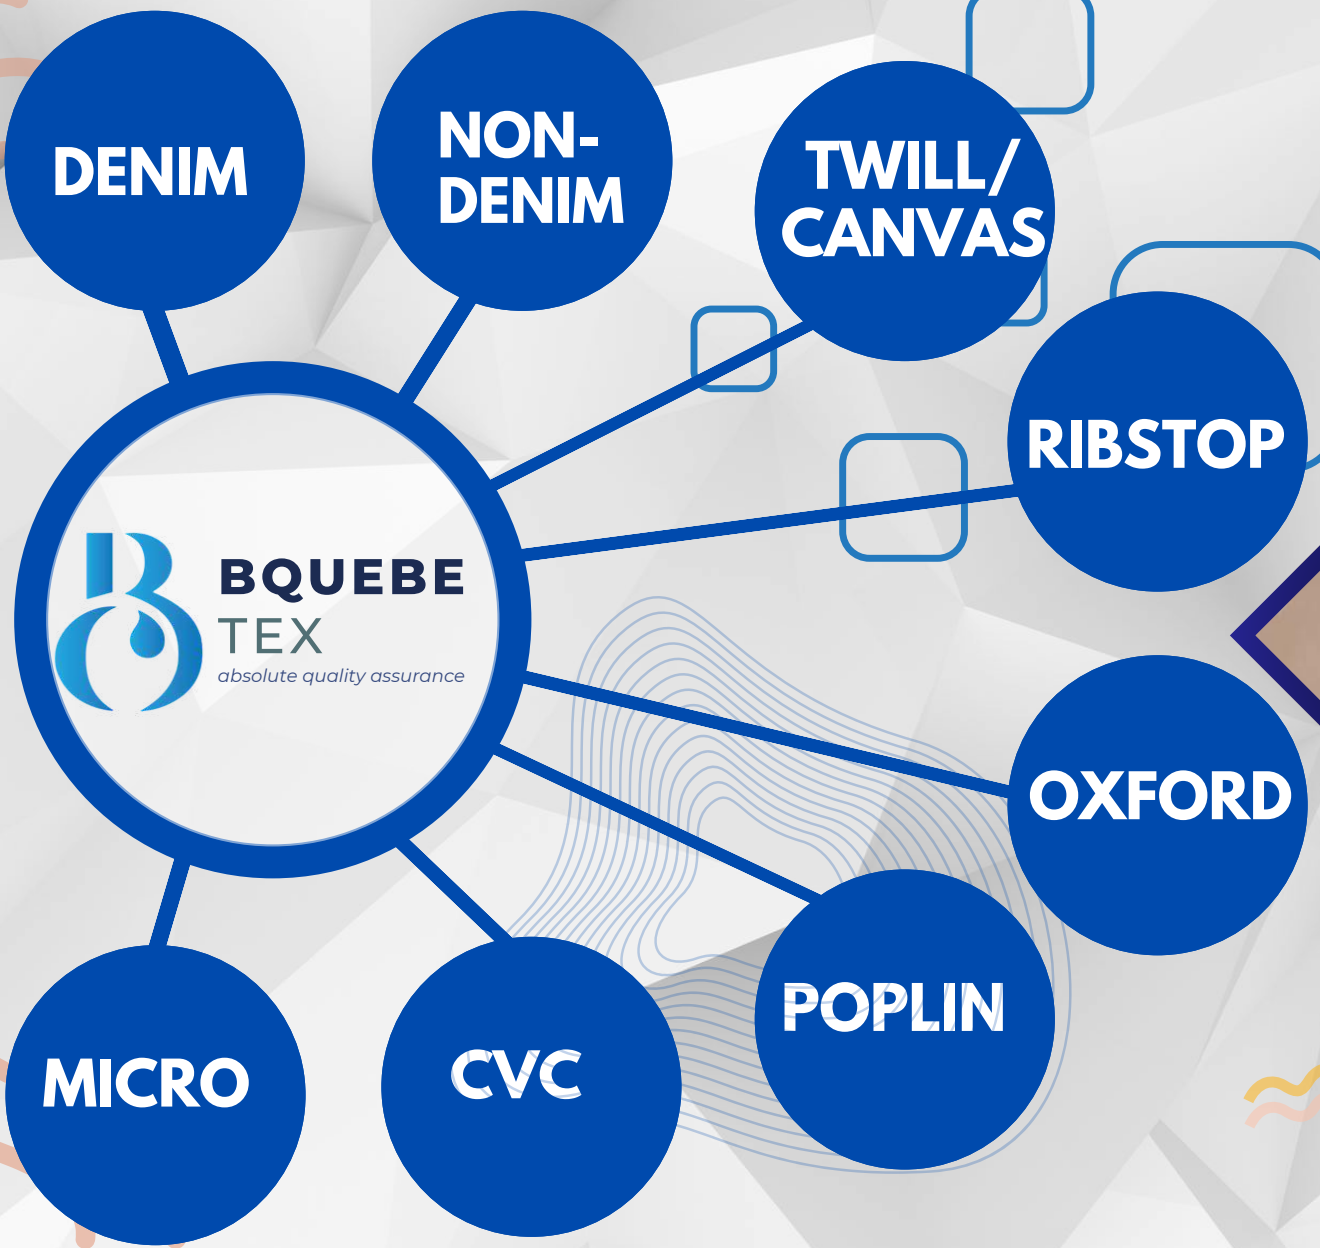

# Our Product Line

It is worldwide certified that the RMG sector of Bangladesh can produce a higher quality product at a lower price than other garments manufacturing countries. As a result, Bangladesh has achieved a vast place in the world's garments/apparel market, which is only possible due to the significant contribution of garment buying house.
